

PROBLEM-BASED LEARNING UNIT

Day 2: Communication Practice

Review w/Anchor Charts

- Discuss different ways to communicate
- Discuss important things to consider when communicating

Recall Chicken-drawing activity

Practice

- Using a grade-level-appropriate map, have students communicate to another student where and what to label on the map (see following pages)
- Use interactive website to teach/introduce student to basic map skills

Directions: Using only the completed map and a compass to give directions, communicate to person B what goes into each blank
